## Steam table pan 1/2-size gastronorm 65 millimeter deep stainless steel induction-ready

Take your steam table pan lineup to the next level with this steam table pan by Pujadas. Featuring a patented sandwich-base design, this induction-ready steam table pan creates powerful, consistent heat. It can also be used with gas, electric and vitroceramic heat, or even in ovens. Thanks to the heavy-duty stainless steel, thick design and reinforced edges, this pan is highly resistant to dings and dents. The smooth interior promises quick cleaning and boasts a 4 1/10-liter capacity. The versatile design is ideal for cooking, transporting, storing and serving, making this NSF-certified steam table pan the best choice for nearly any type of establishment.
