

Article: **P925002**

Product Family: **Stainless Steel Trolleys**

Isothermal tray trolley stainless steel with twenty rails 55 x 37 ½ cm plastic

Transport and store isothermal trays (sold separately) with this reliable trolley by Pujadas. With a stainless steel construction, this trolley provides impressive durability and longevity, while the twenty plastic rails offer plenty of support for isothermal trays. The tall design maximizes vertical space, and four soundproof swivel casters promise quiet maneuvering. Whether used in institutions or at outdoor operations like theme parks, this trolley makes it easy to transport food items inside isothermal trays to prevent spills and maintain ideal temperatures.

Features & Benefits

- Stainless steel construction provides impressive durability and longevity
- Plastic rails offer plenty of support
- Tall design maximizes vertical space
- Four soundproof casters promise quiet maneuvering
- Twenty 55 x 37 ½ cm rails for isothermal trays
- Ideal choice for institutions, outdoor operations like theme parks and more
